Extended Responses

1. The IB Learner Profile describes the learner that IB students strive to be. In relation to the Learner Profile what might be your strengths? Provide one or two illustrative examples.

2. IB students can be motivated by the IB mission statement, the international-mindedness, university readiness or approaches to teaching and learning. What motivates you to apply for the IB Diploma Programme?

Part 2

This is the tentative list of subjects for the school year 2019/2020. The opening of the subjects will depend on the number of registered students.

Choose the subject and the level you plan to do for your diploma exams in the IB Diploma Programme. You must choose 6 subjects, 3 HL and 3 SL, each from different group, except Group 6 which is optional. Instead of Group 6, please choose additional subject in any other group.
